Mrs. Gibson's Message

Welcome Back to School! The Reagan staff is thrilled to welcome close to 700 students to Reagan this week. We hope that everyone is prepared and ready to start this school year as we work towards our motto, **"Be the ONE to make a difference!"** A moment in history is happening on the first day of school and we want to make sure everyone is aware of Reagan's activities. The Solar Eclipse will be taking place in the sky from 9AM-12PM. Teachers have activities planned for the classrooms, morning recess will take place inside, and administration and teachers will escort students outside with NASA approved glasses to take a peek (this will be optional, and yes, students can bring their own glasses). In addition, lunch will remain the same, except for TK/Kindergarten will eat lunch in their classrooms. Safety will be our #1 priority as always! *Go T-wolves!*
