## BlackLight Rally/Testing

We had so much fun at the Blacklight Rally. The moral of the rally was to prepare our students for upcoming state/district tests. We had our students leave the rally with five things to remember when taking any test...

1. *Preserve when it gets tough*
2. *Eat a good breakfast*
3. *Stretch your brain*
4. *Focus*
5. *Come to school each day!*

## Attention 6<sup>th</sup> Graders

### Students Need Tdap Vaccination to Start 7<sup>th</sup> grade

Effective July 1, 2012, under California law known as AB 354, prohibits advancement into 7<sup>th</sup> grade unless the student has been fully immunized. Effective January 1, 2016, under California law known as SB 277, exemptions based on personal beliefs will no longer be an option for the vaccines that are currently required for students entering into 7<sup>th</sup> grade in public schools in California. Most families will not be affected by the new law because their children have received all required vaccinations. Personal beliefs exemptions on file for a child already attending child care or public school will remain valid until the child reaches the next immunizations checkpoint at 7<sup>th</sup> grade. For more information about AB 354 or SB 277 visit <http://www.shotsforschool.org/7th-grade/>.

Please bring copy of required vaccine  
into the Reagan Health Office
