Mrs. Gibson's Message

"Lunch on the Lawn"

Our first annual "Lunch on the Lawn" will be held this Friday, April 21st, 2017. Please see the details below. ☺

During your child's lunch time, stop by campus and bring a lunch to share or enjoy with them anywhere on campus. You can bring blankets, lawn chairs, or even sit in the MPR. Students can still get their lunch from the cafeteria, but adults will not be able to buy school lunches. There will be some extra goodies for sale as well. Once you are done eating, head out to the playground with your child and play a game of their choice and meet their friends.

If you have children in multiple grades, you can either stay all day or pull them out to all eat at the same time. We will be flexible, as this is just an opportunity for you to spend time with your child/children in their school environment.

Traffic on Dewolf

You should have received emails from Clovis East the last few weeks regarding construction on Dewolf Avenue starting this week. There will be construction on Dewolf through July, so please expect heavy traffic or take an alternative route to school for the remainder of the school year.

For those of you who have children who attend Reyburn or Clovis East, your best bet is to utilize the Reagan parking lot along Leonard as Wolfpack Lane will be closed off at Dewolf.

Account Balances

As we enter into the last 8 weeks of school, it is important to make sure all of your child's accounts are in balance. This would include breakfast/lunch accounts and library accounts.

Cafeteria accounts may be accessed through Parent Connect or in person with Ms. Sonia in the MPR. She is on campus until 1:30PM.

**The last day to except checks will be
Friday, May 12th, 2017!!**

SBAC Testing

State Testing is right around the corner. Our 3rd-6th graders will taking the SBAC during the months of April and/or May. Please make sure your children are here during the time periods below so they can test with their peers.

SBAC Rally

On Friday, April 21st, we will be having our annual "BlackLight Rally" to pump up our students for SBAC testing. The entire MPR has been transformed into a beach scene where students will participate in rally games with only blacklights to light the way.

8:45AM-Grades K-3

9:15AM-Grades 4-6

Students can wear white or neon colors to glow in the dark. Long board shorts, flip-flops, and any hats will also be allowed on this day since it is a beach theme. It is guaranteed to be a great time as we **"Catch the Wave to Level 4"!!**

6th Grade Information

ALL Sixth Graders need to have their TDAP shot by April 29, 2017. Make sure you bring in your proof of records to our health office at Reagan. If you fail (or forget) to get this shot before school starts next year, your schedule will be put on hold and you will not be able to attend any classes until this is taken care of. ☺
