Mrs. Gibson's Message Save the Date!

This week's message is directed towards our parents!

Thank you so much for all the parents who took the time to fill out the SART survey last week. While we didn't meet our goal of 85% completion for students to earn 15 minutes of extra recess, we did reach a 61% completion, which is an increase from last year...so thank you for those of you who took time out of your week to offer feedback about Reagan.

Last Tuesday, there was also a "Talk with Mrs. Gibson" meeting. If you missed the meetings offered, click on the link below for a recap PowerPoint. There were some great discussions with regards to LCAP funds, suggestions with regards to safety on campus, and even conversations around the diversity and culture at Reagan.

In addition, there is a great opportunity for parents to learn about the culture our students live in with regards to the amount of screen time they have access too. [Click here](#) to view the flyer of how to watch a free viewing of the movie *Screenagers* which will be held on March 20th at 6PM. An RSVP link is included on the [flyer](#) and there is childcare for children ages 4-9.

BIKE HELMETS

It has been brought to the school's attention that students riding bikes/scooters/etc. to school are not always wearing helmets. This is a HUGE safety concern. **Please make sure your child wears a helmet**, especially if they are crossing major streets. Thank you!

Kids Day Success

Our Student Council and Cheerleading Squads sold Kids' Day Papers last Tuesday.

Reagan was able to donate \$589.65 to Children's Hospital!

Thank you to everyone who supported this cause!
