

PAW PRINTS

January 9, 2023

Welcome to 2023! I hope everyone enjoyed the holidays and the break and got to spend time with family and friends! The second half of the school always goes by so quickly and there is always so much going on! Please make sure to check PAW Prints each week – keep up to date on the SAVE THE DATE items and please try to stay involved! We love having our parents on campus and your kids do too!

A few reminders: the Reagan campus does open until 7:40am at which time the cafeteria is open for breakfast and the blacktop area has supervision. Our campus does not provide supervision for students after 3:05pm Mon, Tues., Thurs., and Fri. and on Wed. (Early Release) we do not provide supervision after 1:35pm. Our teacher and staff that provide supervision have other obligations and meetings to attend and are not available – you will be called if your child has not been picked up. Please make sure you plan to pick-up in a timely manner. Thank you!

POSITIVITY PROJECT THIS WEEK!

This week our school community will be focusing on the character strength of **Prudence**. Prudence means you plan for the future and achieve your goals by making careful everyday choices.

Prudence is the ability to do the right thing for the right reason, at the right time. It's a future-oriented way of thinking that helps a person set goals, make plans, and have the discipline to accomplish them. It is cognitive -- more a strength of the head than of the heart.

To practice and encourage the character strength of prudence with your child, please visit the Positivity Project's [P2 for Families](#) (password: **P2**) where together you will watch a video, read a quote and talk about the answers to three questions.

Join us at Reagan's next

CHANGES

Our Timberwolf community donated 550 units of food for our Canned Food Drive and 250 gifts to students at Birney Elementary for our Giving Tree! What a great expression of generosity, compassion, and kindness. Proud to be a T-wolf!
