This week, our school community will focus on the Other People Mindset of **Knowing That My Words and Actions Affect Others**, which means having an awareness that everything that we say and do can affect others — and our relationships with them. To practice and encourage this Other People Mindset at home, please visit The Positivity Project's mobile-friendly P2 for Families (available in [English](#) and [Spanish](#)), where you will watch a video together and discuss a quote and three questions.
