April 2nd-5th

Tuesday: We see your true colors
To celebrate the beauty in the diverse spectrum of the human mind, wear bright colors and/or tie-dyed clothes!

Wednesday: Hats off to autism
Autism is a neurological variation, which means the brain of people with autism work differently than the brains of non-autistic people - that's amazing! Celebrate how amazing it is that all our minds work in different, wonderful ways by wearing a fun hat!

Thursday: Pokemon Day
Autism can be a creative superpower, did you know the creator of Pokemon has autism? Dress up as a Pokemon character or wear a Pokemon shirt!

Friday: Sensory Friendly
Individuals with autism often have sensory sensitivities. Dress up today in your most comfy clothes or pajamas!
