

# PAW PRINTS

APRIL 29, 2024

It's time for our Timberwolves to SHIMMER!!! The end of year testing and State Testing season is here! Our students have worked so hard this year, and now they get to show what they know! Please be mindful of testing days and times and avoid absences, appointments and tardies during the testing times. If an appointment is necessary, the afternoons are best. Students perform better with their classroom teacher, than another staff member administering a make-up assessment. This data gives next year's teachers a great starting point on each student's strengths and areas to focus on for improvement. **LET'S GO, T-WOLVES!!!**
