

PAW PRINTS

December 4, 2023

As we head into the next few weeks, students will be taking their 2nd Diagnostic Assessments in both Reading and Mathematics. We encourage parents to discuss with their child to do their very best! We want all students to show us how much they have grown and learned this school year. These assessments will also help our teachers to determine what areas each student will need additional support.

This week is a busy week with Winter Programs for our TK, K, 1st and 2nd graders, as well as our 5th and 6th graders in Band, Choir, and Orchestra. Please note: our 3rd and 4th graders will have a performance in the Spring.

Please also note, that students do not attend school on Friday, Dec. 22. The last day of school before Winter Break is on Thursday, Dec. 21st.

SAVE THE DATE
